

CULTURAL DIVERSITY INFORMATION SESSION

Food & Fibre Gippsland's Informed and Supported Workers Program, along with AMES Australia are excited to offer Growers in Gippsland the opportunity to participate in a Cultural Diversity Information Session to help better understand CALD workers and their needs.

Who

Gippsland growers who have CALD workers on their Farm.

Objective

The session will focus on culture, diversity, and multiculturalism in the workplace and how you can be inclusive and foster a good workplace culture into the future, while also improving your on-farm safety and productivity.

The details

Location: Flexible across the Sale/Bairnsdale area

Dates: Initially, there are two dates available, August 2nd and August 9th

Time: 2hr session at a time that best suits the grower(s)

Expressions of interest

Email Emily.Scott@foodandfibregippsland.com.au for more information or to register an expression of interest.

The Informed and Supported Workers Program is funded by Agriculture Victoria.
