

WORKSHOP

Vegetable pest and disease masterclasses - Two locations across Gippsland

Tue 12 & Wed
13 April 2022
2 - 4 pm

AUSVEG, VegNET Gippsland, Food & Fibre Gippsland & AgVic invite you to a vegetable pest and disease masterclass!

Join us for a **hands-on masterclass** where we will discuss pest and disease recognition and management. On the day, scientific experts and industry advisors will run an in-depth practical session on pests and diseases affecting vegetables. **AUSVEG** will also provide an update on recent biosecurity projects and activities.

You will have the opportunity to learn about threats to your industry and conduct hands on learning with a range of common diseases for the region. These masterclasses are part of the Area Wide Management Project (Hort Innovation Project: VG16086).

- **Disease experts:** Cliff Kinoti and Quang Dinh (AgVic).
- **Pest expert:** Callum Fletcher (AUSVEG).

South/West Gippsland:

Location: Austral Hotel (upstairs); 34 Bridge St, Korumburra.

Date: Tue 12 April 2022

Time: 2 - 4 pm

Central/East Gippsland:

Location: Lindenow Hall; 150 Main Rd, Lindenow.

Date: Wed 13 April 2022

Time: 2 - 4 pm

RSVP: Please RSVP by Friday 8 April 2022

to **Bonnie Dawson** (VegNET RDO) on **0407 683 938** or bonnie.dawson@foodandfibre.gippsland.com.au

Note: Some food & refreshments will be provided & there will be an opportunity to stay around & socialise with the experts & attendees after the session. Please let us know if you have any dietary requirements.
